Coaches must remain off the playing floor during the game unless addressing their team during time-outs. Two technical fouls by a coach, player, or fan within a game will result in the immediate removal from the game and a one game suspension for that tournament. A 3rd technical foul during a tournament will result in a removal from the tournament. No refunds will be given to a team that forfeits any games or has a coach or fan that is kicked out of a game or tournament. Let's teach our kids respect. No player is allowed to talk negatively to an official during or between games. A technical foul will result. If it happens between games it will be played out at the beginning of the following game.
- We want professionalism on all sides. Referees are instructed not to talk negatively to a coach, fan or player.
- We want the best referees available. A complaint can be given to the Tournament Director only for a referee that does not hustle or pay attention to the game. Complaints for particular calls made during the game will not be warranted. Coaches should not address referees with complaints after a game. Go to the Tournament Director.
- If a team does not show up for game time they will forfeit. The winning team will assume a 15 point win. The forfeiting team will receive a 15 point loss. A team may start with 4 players.
- Refunds will only be given to teams that pull out 7 days prior to the beginning of the event. A 50% refund will be given within the 7 day period if a replacement team is found.
