

While we are all excited to get back to playing, the safety of all those who attend Beyond The Baseline events is a top priority. Below you will find some safety guidelines that will be implemented for the upcoming events until local/state/government officials deem no longer necessary.

All Beyond The Baseline staff will not be allowed on site if they show symptoms and have a temperature ; temperature must be below <100 degrees and staff must be symptom free to be on site.

All staff will wear a face mask. They will be given the ability to wash their hands every hour while on duty. Designated staff will serve food/drink. Money will be taken from a separate staff member.

REST ROOM / BATHROOM FACILITY AREA – will be cleaned. There will be a designated “one way” walk path to enter and exit both bathrooms.

Lounge seating will be limited.

Do not enter the facility more than 15 minutes prior to your practice/training/first game time. If you have time between games please stay 6 ft apart from others outside (weather permitting), on the bleacher area, or in the lounge.

Program Directors, Coaches, Players and Spectators - are asked to temperature check BEFORE coming to the event. All coaches must provide signed insurance/participation waiver for each before competition.

All Spectators over 2 years of age must wear a face mask and keep six feet between other spectators. Only two spectators will be allowed for each youth athlete. Athletes are not required to wear masks.

Spectators must stay 6 feet apart while waiting in line and when seating in the spectator seating areas.

Spectators –Please have your players/spectators leave immediately following their practice/training/ final game

** All procedures subject to change based on state/local guidelines that are added or removed leading into an event **

DO NOT ENTER

IF YOU CURRENTLY HAVE COVID-19 SYMPTOMS OR IF YOU HAVE BEEN AROUND ANYONE WITH A CONFIRMED COVID-19 DIAGNOSIS IN THE LAST 14 DAYS.

Symptoms of COVID-19 include

- Cough
- Shortness of breath or difficulty breathing

Or at least two of these symptoms:

- Fever
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

Screening Algorithm for Entrance
